# Technical Documents and Latest News Now on Manaras Web Site

MONTREAL, November 26, 2003 -- Manaras, a division of Somfy International, and manufacturer of commercial and industrial garage door operators, is pleased to announce that they have updated their website [www.manaras.com](http://www.manaras.com), to include two new sections: *Technical Documents* and *Latest News*.

The *Technical Documents* section was created to provide their customers, dealers, installers, architects and end-users with all the literature and information they may require at the click of the mouse. Available for viewing or downloading are the Specification Sheets, 3-Part Architect Specifications, Shop Drawings, Electrical Wiring Diagrams, Mechanical Drawings and Replacement Parts, and Installation and Instruction Manuals for all their commercial and industrial operators. Also included are the necessary documents for some of their discontinued operator models, Replacement Instructions and Technical Notes.

The *Latest News* section serves to inform the visitors of the latest happenings within the organization, featuring their newsletter *Openings*, press releases, and upcoming corporate events.

Specialized in manufacturing commercial and industrial garage door operators for over twenty years, Manaras operates through six distribution and customer service centers in North America: Atlanta, Chicago, Boca Raton (FL), Brea (CA), Cranbury (NJ) and Montreal (CAN).

For more information on any of the products available from Manaras, phone toll-free at U.S.: 866-776-7372 or CANADA: 800-361-2260, or visit us online at [www.manaras.com](http://www.manaras.com).
