Manaras-Opera Improves Shipment Accuracy and Traceability

Manaras-Opera is pleased to advise you of the recent measures implemented in order to improve shipment accuracy and traceability.

- We are now precisely weighing all skids **1** before they leave our facility. We are also counting the total number of skids for each order **2** and the total number of boxes on each skid **3**. This information can now be found on the bill of lading.
- Additional information added to the bill of lading:
 - your P.O. number
 - Manaras-Opera invoice number

For further information, please contact your Manaras-Opera sales representative.
