New Manaras-Opera Name Plate

Early this year, Manaras-Opera will be revising its name plates for your benefit.

- The format of the silver labels found on every operator cover will be revised.
- The label's durability will be improved.
- Manaras-Opera has invested in various technologies in order to continue to meet the different UL and CSA standards.

The new label will be implemented in early 2008 as a running change.
For further information, please contact your Manaras-Opera sales representative.
