Manaras-Opera Custom Industrial Panel Upgrade

Manaras-Opera is pleased to advise you that its specialized industrial control panels **PAN-D**, dedicated for high-speed door applications, are now being manufactured with the electronic control board **BOARD 060**. This upgrade is effective April 3rd, 2009.

Changes made

- Electronic control board BOARD 040 is being replaced by BOARD 060 and (2) RELAY 068.
- Models affected by the upgrade: PAN-D-xxxx.
- The replacement board for this configuration is BOARD 069 (plus 2 x RELAY 068).

Pricing

- The price of the panels remain the same.
