CARDREADER 017

Manaras-Opera Introduces New Waterproof Card Reader / Keypad

Manaras-Opera is pleased to announce that they have added a new Proximity Card Reader / Keypad - **CARDREADER 017** - to their line of Accessories.

Product Details

▶ **CARDREADER 017:** an inductive contact-less card reader that also acts as a keypad control.

- The rugged waterproof metal unit may also be used as a stand alone for access control of doors, gate and barrier arms.
- Dimensions: 4.74" L, 2.2" W, 0.71" D.
- Weight: 1.62 Lbs.
- Up to 2000 users.
- Powered by regulated 9-28VDC power supply. Regulated 24VDC is currently available with the addition of **POWERBLOCK 006** for 120-208-240V operators only.
- Luminous keypad for nighttime use, tamper alarm, doorbell button, output for monitoring of user access, vandal resistant.
