New Wireless Keypad Added to the Opera Accessory Line

Keyless Entry Transmitter KEYLESS 042 ▶▶

Manaras-Opera Introduces an Opera Keyless Entry Transmitter

Manaras-Opera is pleased to announce that they have added an **OPERA** brand Keyless Entry Transmitter **KEYLESS 042** to their line of Accessories.

The **OPERA** brand name has become synonymous with innovation and reliability.

Product Details

▶ **Wireless Entry System**

- Allows keyless access to the Commercial Garage Door.
- Includes rolling code technology.
- Transmitter with no wiring required.
- Compatible with the Manaras-Opera's on-board radio receiver **RADIORE 101C** (included with **BOARD 070E/M** since Jan. 2014).

▶ **Back-lit Keypad**

- Enhances visibility of the keypad numbers (even in the dark).

▶ **Weatherproof Cover**

- The weatherproof cover protects the keypad from wet and windy environmental conditions.

▶ **Easy Installation**

- Easy installation in just a few short steps.

▶ **Programming Options**

- For Single Door or Multiple Door (max. 4) applications.
- Programmable with four to six-digit passcodes to operate.
- Two (2) operating sequences available:
 - 1) Traditional Commercial Sequence (open/close function).
 - 2) Alternating Sequence (SBC) (open/stop/close function).
Allows the door to be parked anywhere.
